## Everything Starts & Stops with Leadership – Who, What, When, Where & How

In this program, Doug will define specific skills of proven leadership styles and provide the audience with effective leadership tools that can be applied immediately, resulting in improved teamwork and employee productivity. The group will learn to identify the most common mistakes made by leaders to help them better understand how to avoid making those same mistakes again. Doug will also discuss specific strategies to overcome those challenges.

This experience will provide your leaders with new ideas and tips to improve performance that they can incorporate into their work and management styles immediately. Doug will provide up to 2 follow-up conference calls with your leaders as needed so the concepts can be fully understood and implemented correctly.

### Who Should Attend
