

## Doug Dvorak to Speak Live to the American Medical Association

Chicago, Illinois, June 13, 2022: Doug Dvorak is honored to announce he will speak in person to the American Medical Association at the Hyatt Regency Chicago on Tuesday, June 14.

The world-renowned [motivational speaker](#), who has presented in more than 100 countries to over a million people, will work with the AMA to help its team discover the importance of leadership and motivation.

Founded in 1847, the AMA is the largest and only national association that convenes more than 190 state and specialty medical societies and other critical stakeholders. Throughout history, the AMA has always followed its mission: To promote the art and science of medicine and the betterment of public health.

As the physicians' powerful ally in patient care, the AMA delivers on this mission by representing physicians with a unified voice in courts and legislative bodies across the nation, removing obstacles that interfere with patient care, leading the charge to prevent chronic disease and confront public health crises, and driving the future of medicine to tackle the biggest challenges in health care and training the leaders of tomorrow.

The AMA's system of governance and policy making include the board of trustees, House of Delegates, executive vice president, councils and committees, special sections, and AMA senior leadership and staff.

Dvorak's presentations engage individuals and improve leadership performance by focusing on techniques and tools that can be used immediately. Additionally, within his workshops, he discusses the three pillars of leadership: Purpose, Passion, and Vision. He also discusses servant leadership strategies through which people in positions of leadership can achieve authority through empathy, listening, foresight and awareness.

In his team building workshops, Dvorak discusses issues, such as helping teams work together, allowing them to have fun without sacrificing efficiency and productivity, resulting in improved overall morale, increases in productivity and motivation.
